Rafael Tambuatco

It is quite an experience to be here in America. The environment is so new, so fresh to my eyes that the excitement I have felt upon first sight of it has never left me. My curiosity is only heightened as each day unfolds. I must admit that adjustment takes time and memories of home only tend to make a person sad. But after having overcome these factors, a person cannot help but be happy to be able to participate in such a wonderful school within a wonderful community.

I would like to give special thanks to all those who have made my stay very pleasant and memorable, but most of all, I am extremely grateful to my host parents and host brothers and sister for being directly responsible for my very wonderful stay.

Do You Know . . .

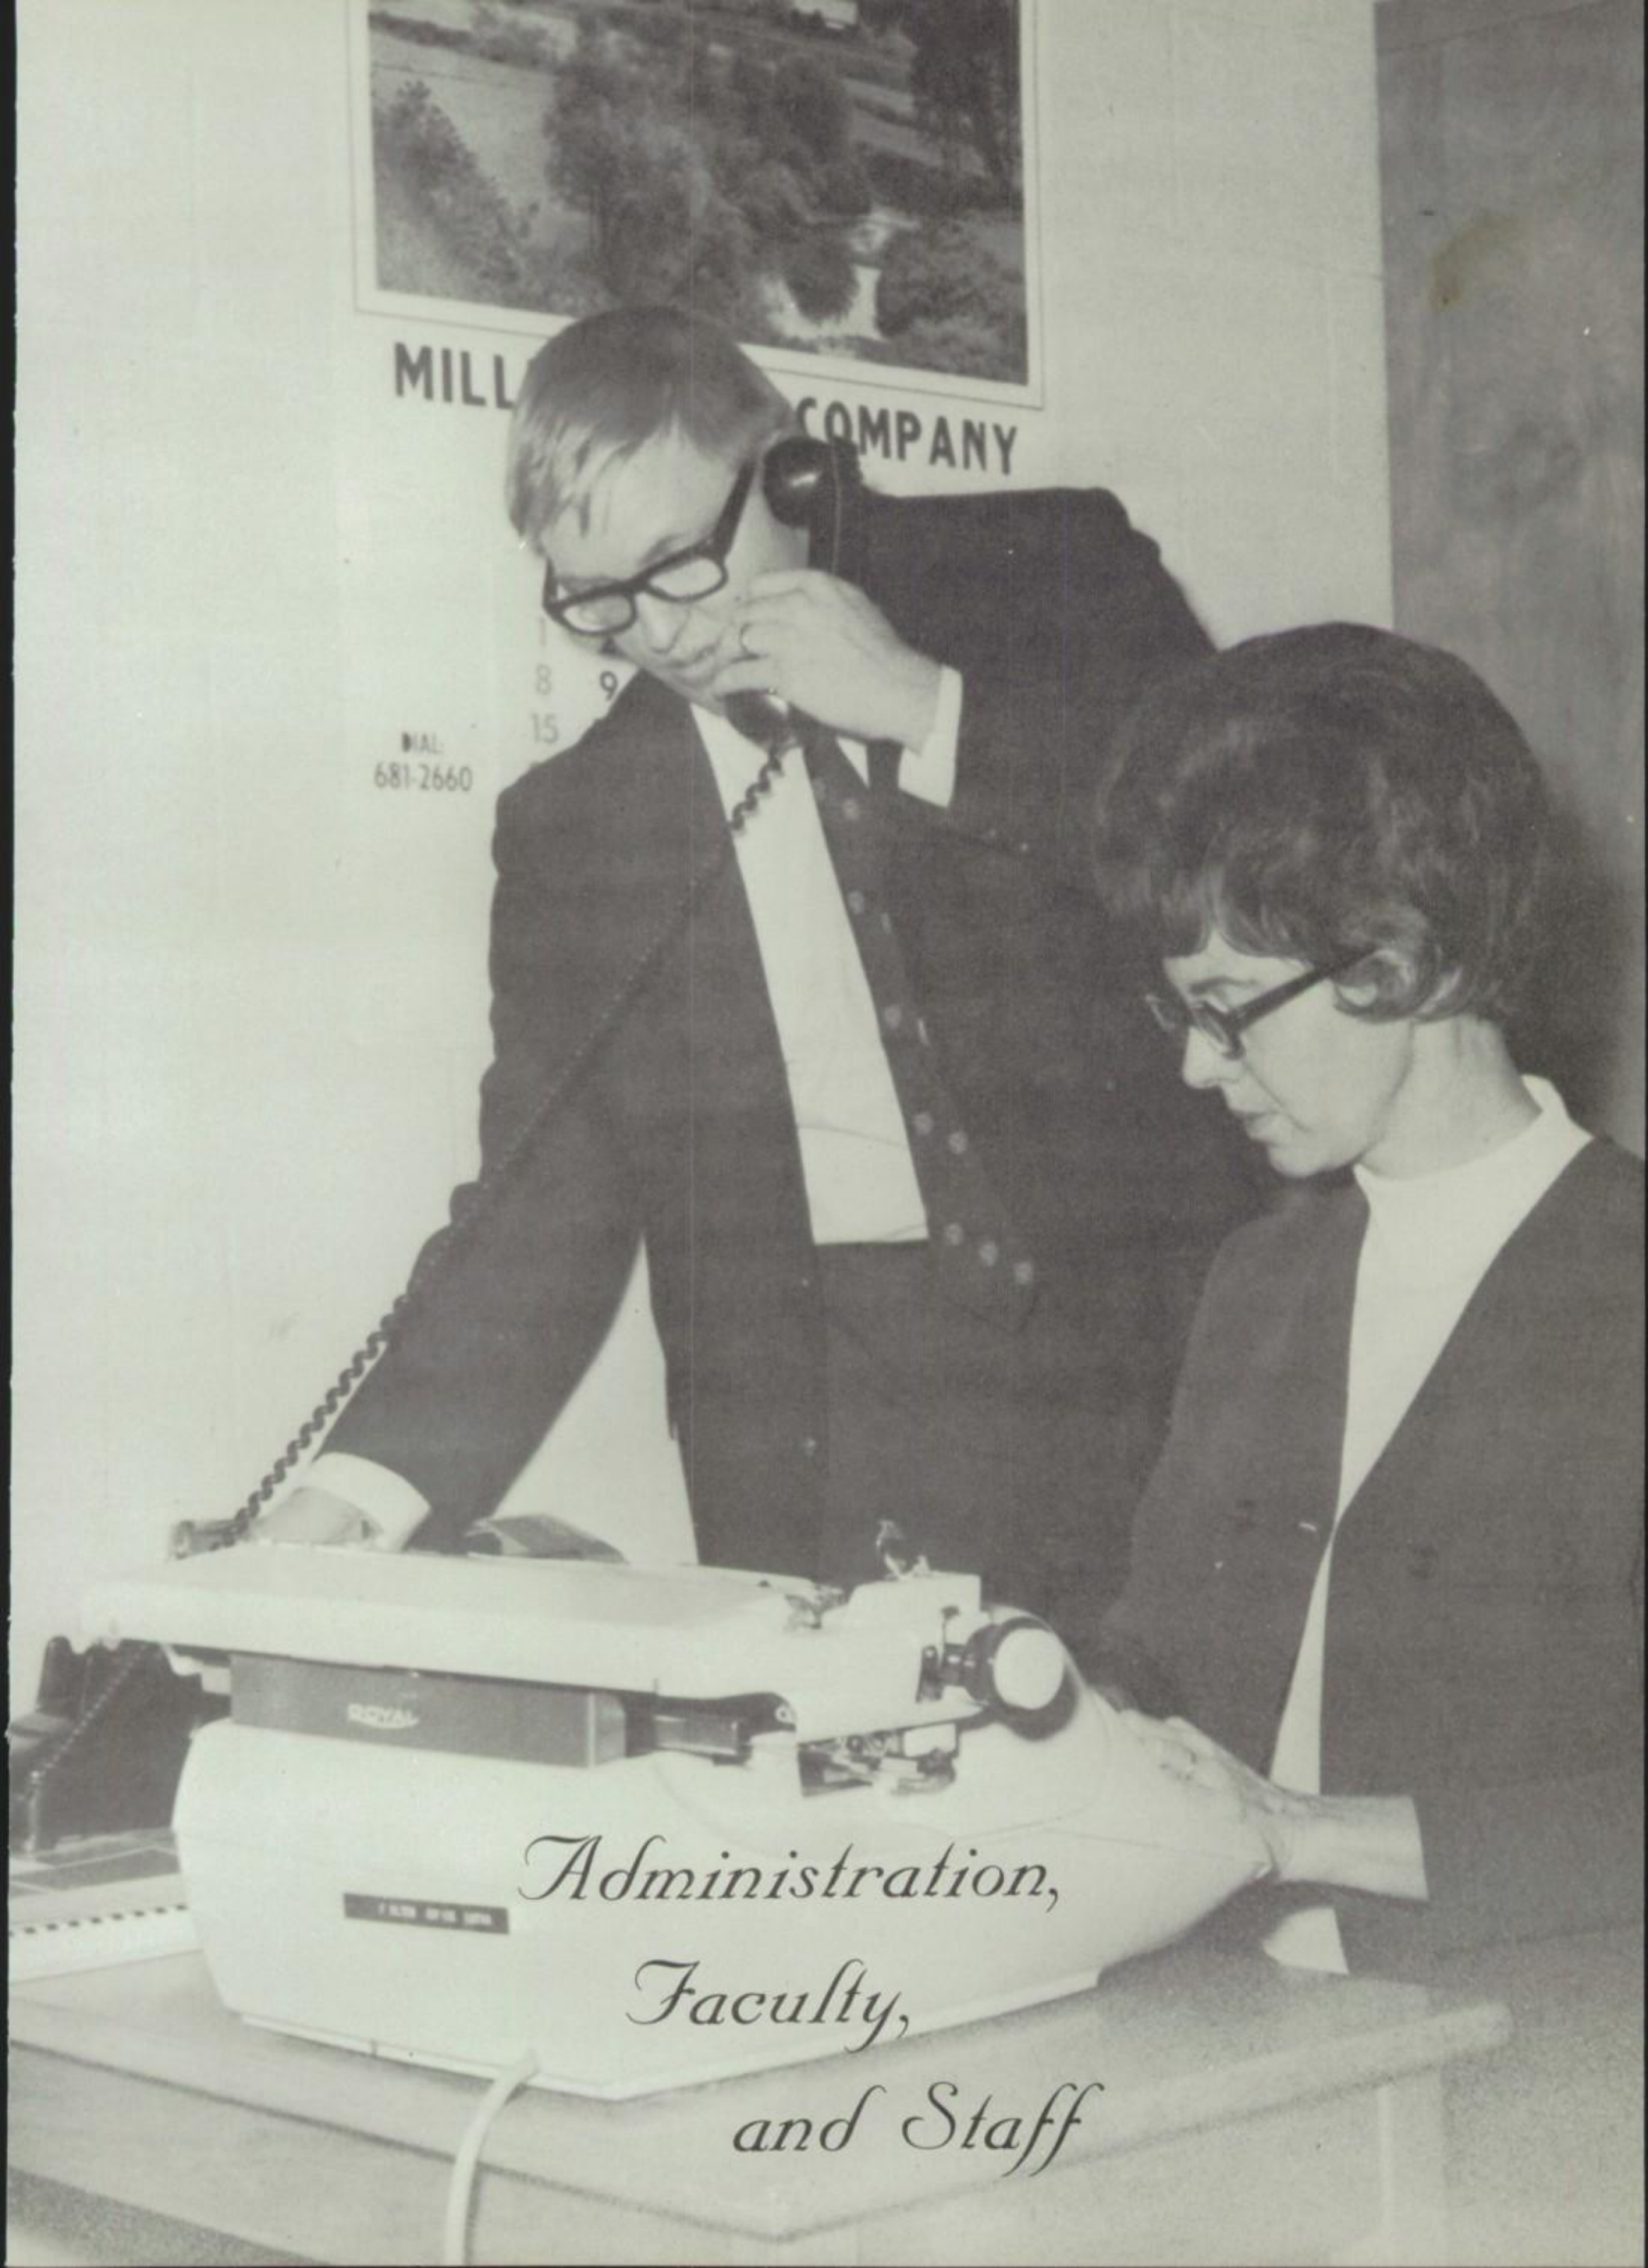

... the man who patrols the halls with vigilance?
Do you know the man who inspires his students to further their education?

Do you know the coach of the ag basketball team?
If so, you know Mr. Jake McVannel, our agricultural teacher and the advisor of the F.F.A.

It is to you, Mr. McVannel, that we proudly dedicate the 1969 Tale-spin and say "thanks" for your hard work and patience.

. . . Mr. McVannel

Luiz Ferri de Barros

Luiz Ferri De Barros joined us the second semester of 1968-1969. Luiz was from Sao Paulo, Brazil and lived with the Lowell Cook family. He made many new friends during his stay. Having never lived on a farm before, this was a new experience for him. We hope his stay with us was an enjoyable one.
